We had timely sent above 6 FDRS for redemption to the company .But we are still waiting for our maturity.payment and interest. WE CONTACTED AND EMAIL MANY TIMES TO THE COMPANY ANKUR DRUGS LTD. BUT THEY ARE NOT REPYING TO MY EMAILS.WE had read the financial details given in the application form carefully before investing, the company had shown good profit from 2006 till 2009.

It seems that MR PURNANDU JAIN who is managing director of the company is also a chartered accountant also, he played with the money of investors, the company had collected good amount of money by way of company FDRS after october2010 and invested this money somewhere, THEY HAD CHEATED THE SMALL INVESTORS AND MUST BE PLANNING TO DEFAULT THE

PAYMENT OF THESE FDRS.

We already complaint to company law board mumbai and registrar of companies mumbai but still no action has been taken. Our complaint number and the acknowledgement date by company law board, mumbai is 9-4-2012, SRNZ 01546928.
