Sl. No. 1: Information sought under the RTI Act-2005

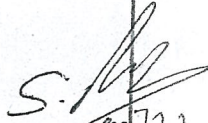

Shri Parag Bapat R/o Vera 706, SJR Verity, Kasavanhalli Rd, Off Sarjapura Rd, Near Amritha College, Bangalore-560035 (Karnataka) sought for information under the RTI Act, 2005 from National Informatics Centre Regarding recruitment of Scientific Officer/Engineer-SB vide the advt. no.15(3)/2008-Pers. dated 3.1.2009 as per details given below:-

S. No	Information sought by Applicant	Clarifications given by NIC
1.	Kindly provide the content of transfer policy if it exist in NIC	As a policy NIC plans for transfer of 5% of the total technical manpower posted in NIC. NIC Scientists have a set of professional skill which require them to stay in that job, hence, NIC has some officers posted in the same place for more than 10 years. Based on the vacancy and specific requirements transfer requests over and above the normal transfer is also accepted as per the requests. However, due to shortage of manpower it is not always possible to meet the demand. The officers posted in various NIC Centres including District Centres possess the domain expertise and the user departments/District Administrations become handicapped in the event of officers transfer from their place of posting to other NIC location/other districts etc. However, keeping in view the interest of the organization and employees concerned, the official are considered for transfer to NIC State Units or other District Centres of NIC in public interest and on compassionate ground ensuring that in the event of the transfer of officers, the day to day work in the NIC Centres including District Centres and State Units does not get effected.
2.	Kindly provide the Total Marks Obtained, Home town location, Place posting Candidates Category (SC,ST,OBC or Gen) and merit order no. of the candidates who joined NIC in the Recruitment done against Advertisement NO. 15(3)/2008-Pers Dated 03/01/2009 for 265 posts of Scientific Officer- 'SB'.	The information is not available in the desired format.
3.	Kindly provide content of procedure or order or algorithm or policy that has been applied for determining place of posting for candidates got selected against Advertisement No.15(3)/2008-Pers Dated 03/01/2009 for 265 posts of Scientific Officer-SB'.	Posting of employees depends on their merit/qualifications and requirement of the projects/divisions/states.

4.	How long it is required to stay for an Employee posted in Hard Areas, J&K or North East Region of India in the recruitment done against Advertisement No. 15(3)/2008- Pers Dated 03/01/2009 for 265 posts of Scientific Officer- 'SB'.	Same criteria as mentioned at Sl.No.1 on pre-page.
5.	How an Employee posted in Hard Areas, J&K or North East Region of India in the recruitment done against Advertisement No. 15(3)/2008- Pers Dated 03/01/2009 will get transfer to their home state or home town or any other desire location if no one is willing to come in place of him/her as a replacement.
